Become an apprentice and grab your opportunity to gain recognised qualifications and essential skills while you earn at work.

The experience that you will gain as an apprentice will remain with you for life and provide you with the transferable skills you will need for the future.

Apprenticeships in Wales are available to anyone who wants to learn at work and expand their knowledge and skills.

Why become an Apprentice:

- * You learn on the job
- * Earn while you learn
- * Gain skills, knowledge, experience & face new challenges
- * Gain recognised qualifications that employers respect
- * Excellent progression opportunities, whether looking to study further or climb the ranks at work
- * Learning at a pace suited to you with the support of a training officer

**To find out more about apprenticeships call a member of our
team on 01938 555893 or visit www.cambriantraining.com**

The Apprenticeships Programme is funded by the Welsh Government with the support of the European Social Fund.

* Statistics results are from an apprentice survey carried out in 2013
