LEVEL 5 HIGHER APPRENTICESHIP IN MANAGEMENT

The Level 5 Higher Apprenticeship in Management will combine Level 5 Diploma in Principles of Leadership and Management, and Diploma in Management and Leadership. This course is aimed at middle managers with responsibility for substantial programmes and resources. It develops skills in strategic planning, strategic change and business process design alongside core leadership and management abilities such as inspiring colleagues and delivering results.

Course Delivery

Assessment will take place via blended learning and you will be supported by a training officer who has industry experience. You and your training officer will have a session at least once per month, which will include online training sessions or on site visits for up to 4 hours, we tailor the course to your needs. If you need to do your essential skills this will be done towards the beginning of your course and can include weekly visits from an essential skills tutor.

Entry Requirements

If an apprentice has not already achieved Level 2 English, Level 2 Maths and Level 2 Digital Literacy they are expected to study for them and take the tests via our Essential skills program, which will develop and ultimately demonstrate the apprentices ability to use English, Maths and Digital Literacy.

Employers see these skills as essential, and by holding this qualification apprentices are showing they have the ability to apply them in work situations.

Recommended time on programme
